Family Financial Assistance Program (FFAP) – a singular intermittent entitlement for families who are enduring financial adversity. The FFAP is designed for Irfan College families that may need assistance with school fees.

The FFA is not an ongoing assistance program – it is to assist families who are enduring short-term financial difficulty. All families must fill in a new FFAP claim form if they wish to renew their FFAP claim on a yearly basis.

The FFAP entitlement does not provide financial assistance in the form of money and/or other payments to families – Irfan College is a non-profit Islamic College.

The assistance provided is from the limited Irfan College trust account, with the intention of families receiving either a discount or paying instalments back to the college.
