## Rationale

A school uniform plays an important role in any school. A school uniform contributes to a sense of belonging, identity and self-confidence. The school uniform is a visible sign of a student's membership of a school. Parents are expected to provide active support to the college's uniform policy. The uniform at Irfan College is one that adheres to the Islamic dress code. It is compulsory for every student to wear Irfan College's full school uniform. Uniform is expected to be clean, neat and tidy in appearance at all times. Uniform can be purchased from the school's uniform shop. These items are listed in the tables below as (IC), which refers to specific Irfan College apparel that can only be purchased from the uniform shop. All items brought to school should be clearly labelled with the student's name to avoid any loss of property.

## Uniform Policy

Students out of uniform must bring a note from their parent or guardian clearly stating the reason for not wearing the full school uniform and the date they will be rectifying the issue. The parent or guardian note must be presented by the student to their roll call or class teachers during the marking of the student roll. Students will then be provided with a uniform slip. Uniform slips must be carried always when students are out of uniform and must be produced when requested by a teacher. The uniform slip must be taken home to be filled out by the parent and returned to school the following day.

Students are only allowed to attend excursions if in full school uniform. Students are expected to wear their full school uniform whilst on the school premises at all times. Parental cooperation is sought in ensuring that students leave home wearing clothes that meet the conditions stated in this policy.

- The following steps serve as a guide to show the procedures undertaken for students out of full school uniform:
  1. Uniform slips to be handed out during roll call every morning. Teachers are to write student's name, class and tick missing uniform on the slip.
  2. Teachers are to record negative incident on Sentral under 'uniform'.
  3. Students are to keep uniform slips with them throughout the day and provide it once asked by staff.
  4. Students are to return signed slips with a clear reason and date they expect to rectify the matter to roll call/class teachers. Roll call/class teachers will keep uniform slips in student's file.
  5. Once student has brought the uniform slip allow the allocated time as requested by parents (within reason).
  6. After three uniform infringements, the roll call/class teacher will contact parents to provide further clarification on the matter.
  7. If student has continuously been out of uniform, students will be sent home and only allowed back on school grounds once student is in full compliance of the Irfan College Uniform Policy.
  
- To summarise, the following steps are undertaken:
  - Step 1 → Issue uniform slip (x3)
  - Step 2 → Roll call/class teachers contact parents (Phone or in-school meeting)
  - Step 3 → Escalated to the Deputy Principal (Phone or in-school meeting)
  - Step 4 → Send home/Indefinite Suspension until uniform issue is resolved
