PRINCIPAL'S MESSAGE

In the Name of Allah, Most Gracious, Most Merciful

Dear Irfan Parents, Families and Community Members,

Assalamu 'Alaykum wa Rahmatullahi wa Barakatuh

We send our salutations upon our beloved Prophet Muhammad (saw), his family and companions. We thank Allah (swt) for the boundless blessings He has bestowed upon us and are grateful for appointing us as His stewards.

Alhamdulillah, with the favour and permission of Allah (swt) we have been able to complete yet another productive and fruitful year. Every week, term and year, our college is moving a step closer to achieving its vision:

Raising thinkers and leaders who have confidence in their Australian-Muslim identity with a deeply rooted motivation to actively do good in the world!

The academic year of 2022 was a year full of many surprises and challenges. However, the resilience and adaptability of our students, teachers, and parents alike, demonstrated yet again the value we place in the education of our children.

Alhamdulillah, although this year presented its challenges, it also bore witness to some important milestones. Most notable of these developments was the facilitation of Irfan College's second graduating Year 12 cohort. With our dedicated students and highly qualified teaching team, I am confident that our second graduating cohort will move on to their career paths doing their best and representing our college values to the highest standard inshaa'Allah.

This year we were also able to achieve critical progress with the Islamic Integration Project. A significant investment was made to draft and develop Irfan's Educational Framework which comprises the core philosophical premises that will inspire every aspect of our college from policy to curriculum, and praxis to environment. These documents will be adapted into professional teacher training programs and will serve as essential pieces to induct our teaching staff about the nature of Islamic worldview and its implications on Islamic education. We ask Allah (swt) to bless our efforts and allow us to realise our goals with these noble projects.

On a final note, I would also like to thank our school community, staff, parents, and students, for their continued support, vigilance, cooperation and commitment to our vision and progress throughout this year. I pray and ask Allah (swt) that He continues to protect our school in 2023, bestows upon us a year full of barakah and assists us in cultivating staff and students that are pleasing to Him (swt).

Yours truly,

Mr Ali Arabaci
Principal

PARENTS and CITIZENS BODY MESSAGE

Our P&C played an important role in bouncing back stronger than ever after a huge setback due to restrictions of Covid. I was very pleased with all our parent/carer volunteers for all their efforts and help all year round. This year we were able to complete all our planned events listed on our calendar with success. I always say, Happy Teachers, Happy Parents, Happy Students, that's what makes it more rewarding and exciting.

The P&C would like to extend their heartfelt gratitude to the parent body of Irfan College for their continued support and we look forward to a more prosperous year in 2023.

Rukiye Cetinay
President of the Parents and Citizens Committee

CONTEXTUAL INFORMATION ABOUT THE SCHOOL

Irfan College is an accredited independent Islamic co-educational school situated in South-Western Sydney which caters for students from Kindergarten to Year 12. Irfan College has a diverse student background with up to 16 different ethnic backgrounds and all our students coming from an 'English as an Additional Language/Dialect' background. Our College is set on five acres in the semi-rural suburb of Cecil Park, which is 15 minutes from the Liverpool CBD and 20 minutes from Penrith in Sydney's Inner West. More than half of our students commute to school by the bus service provided. The bus service accommodates students from the Auburn, Guildford, Mount Druitt, Liverpool, and Campbelltown areas.

The College has highly committed staff who work with our school community to create a welcoming and friendly environment that ensures genuine community participation, and a culture of continuous improvement focusing on high academic expectations. It is a positive learning environment where academic success and student well-being are at the centre of decision-making. Teachers have a focus on challenging and engaging all students, fostering quality teacher leadership in every classroom, and reshaping the curriculum to meet the individual needs of each student. At the heart of this is an understanding of the 21st century learner, and their growing needs in a rapidly changing world.

The notion of inclusion is central to the enrolment policy of Irfan College. The learning capabilities of students are not discriminated against, and it is the duty of educators to accommodate the diverse learning capabilities of students. Students with learning difficulties and disabilities are also catered for through tiered interventions carried out by the Learning and Support department.

The school's wellbeing and co-curricular programs instil leadership, resilience, and responsibility in students through an Islamic perspective which is centred on building strong local and global community connections. Students further develop their identity as Australian Muslims based on principles of respect, commitment, honesty, and integrity.

Vision

Our vision at Irfan College is to 'Raising thinkers & leaders who have confidence in their Australian-Muslim identity, with a deeply rooted motivation to actively do good in the world'.

Mission

Our mission at Irfan College is to 'Move from being a young Islamic school to a nurturing and supportive place of holistic learning. We will achieve this by creating a culture of effective and passionate teaching built on positive relationships and sincere concern for each individual student, embedded in an Islamic framework'.

Values

The values of our College are as follows:

- **PERSONALISED CARE:** Commitment to creating a nurturing environment of sincere care for the holistic education of each individual student.
- **COMMUNITY:** Connecting with the broader community to enable our students to be active and aware members of society.
- **SPIRITUAL EXCELLENCE:** Guided by Islamic principles in all that we do to strive for spiritual excellence (ihsan), as an anchor for the guidance we provide.
- **DIVERSITY:** Celebrating the diverse backgrounds of our students, staff, and friends, to foster an open-minded appreciation & respect for all cultures.

STUDENT OUTCOMES IN NAPLAN

The table below indicates the percentage of students achieving at or above the national minimum standards for each year level. It also shows a comparison to state figures:

Year level		Reading	Writing	Spelling	Grammar & Punctuation	Numeracy
3	School	85%	85%	81%	82%	73%
	State	84%	79%	78%	82%	75%
5	School	80%	70%	78%	76%	72%
	State	76%	71%	75%	73%	72%
7	School	73%	65%	79%	71%	73%
	State	73%	70%	74%	71%	73%
9	School	69%	53%	62%	60%	61%
	State	69%	55%	59%	59%	61%

STUDENT OUTCOMES IN THE HIGHER SCHOOL CERTIFICATE

The tables below show the results of the 2022 Year 12 Higher School Certificate examination by achievement bands:

Subject	No: of students	Performance band achievement by %			
		2022			
		Bands 3-6		Bands 1-2	
		School	State	School	State
Biology	6	33.34	79.75	66.67	20.25
Business Studies	8	75.00	90.33	25.00	9.67
English Advanced	9	100.00	99.13	0.00	0.86
English Standard	10	100.00	87.99	0.00	12.01
Legal Studies	9	66.66	84.82	33.33	15.17
Mathematics Advanced	4	100.00	94.48	0.00	5.52
Mathematics Standard II	8	100.00	81.79	0.00	18.20
Modern History	8	87.50	88.81	12.50	11.19
Personal development, Health and Physical education	5	60.00	79.91	40.00	20.08
Studies of Religion II	8	87.50	93.25	12.50	6.77
Visual Arts	12	100.00	98.58	0.00	1.42

Subject	No: of students	Performance band achievement by %			
		2022			
		Bands E3-E4		Bands E1-E2	
		School	State	School	State
English Extension 1	4	100.00	92.56	0.00	7.44
English Extension 2	4	50.00	85.03	50.00	14.98
Mathematics Extension 1	1	100.00	73.57	0.00	26.43

THE GRANTING OF RECORD OF SCHOOL ACHIEVEMENT

The Record of School Achievement (RoSA) is a cumulative credential for students who leave school before completing their Higher School Certificate.

The RoSA lists all mandatory and additional Stage 5 and – where applicable – Stage 6 courses completed by the student, along with the grade awarded. The RoSA credential also lists any courses commenced but not completed and the date of leaving school. NESA issues the formal RoSA credential to students who satisfy the eligibility requirements when they leave school.

School leavers who are not eligible for the RoSA will receive a Transcript of Study showing all grades awarded, including 'N' determinations for mandatory courses studied in Stage 5.

The following table shows the percentage of Year 10 and Year 12 students who successfully attained a qualification/certificate:

Year 10	Qualification/Certificate	Percentage of Students
2022	RoSA	100

Year 12	Qualification/Certificate	Percentage of Students
2022	RoSA /HSC Certificate	100

TEACHER STANDARDS

At Irfan College we deliver the courses for study with a high standard of quality teaching. It is ensured that teaching staff at Irfan College:

- Have attained the standard of professional teacher competence as determined by the Minister, or
- Are working towards the standard of professional teacher competence as determined by the Minister and are under the direct, on-site supervision of teaching staff that have attained the necessary standard of professional teacher competence.

For 2022, all the teaching staff have been categorised into the following three categories:

Category	Number of Teachers
Teachers having teacher education qualifications from a higher education institution within Australia or as recognised within the National Office of Overseas Skills Recognition (AEINOOSR) guidelines, or	36
Teachers having a bachelor's degree from a higher education institution within Australia or one recognised within the AEINOOSR guidelines but lack formal teacher education qualifications, or	1
Teachers not having qualifications as described in (i) and (ii) but having relevant successful teaching experience or appropriate knowledge relevant to the teaching context. Such teachers must have been employed to 'teach' in NSW before 1 October 2004 (either on a permanent, casual or temporary basis) and worked as a 'teacher' during the last five (5) years in a permanent, casual or temporary capacity	0

Note: Teachers in the second and third category have been employed owing to their expertise in the content areas of Quran and Islamic studies (non-Board subjects) or Primary Languages Other Than English, and work directly under the supervision of a qualified teacher.

Teacher Accreditation

Teacher Status	Number of Teaching Staff
Conditional	5
Provisional	5
Proficient	26
Lead/Highly Accomplished	0

PROFESSIONAL LEARNING

The College evaluates its staff professional learning and individual staff members take responsibility for their ongoing professional development.

The school supported three teachers in achieving Proficient Teacher status and another three completed their accreditation at maintenance level. All new teachers were formally inducted by executives and their respective coordinators.

Primary and Secondary ran a personalised PD experience on staff development days customised based on their department need.

All Primary and Secondary teachers had an ongoing Islamic Integration PD. The Islamic Pedagogy PLs purpose is to introduce educators to an Islamic Worldview when focusing on pedagogical and curriculum integration.

The following professional development activities were undertaken by staff throughout 2022:

Description of Professional Development	Number of Staff Participating
Induction for all staff	50
Child Protection (teaching and non-teaching staff)	50
Obligations in Identifying and Responding to Children and Young People at Risk	50
Behaviour management and Well-being seminar	36
Commercial Negotiation and Contracts for Non-legal Professionals	1
AISNSW Cyber Security Webinar: Cyber Security Strategy and Governance Approaches	1
AISNSW Virtual Breakfast Briefing: Human Resource Professionals	1
AISNSW Managing School Construction Projects	1
AISNSW Independent Contractors and Peripatetic Contractors	1
HR for Schools webinar - Retention, Development & Ways of Working	1
School Operations notification in natural disaster or adverse weather	1

IT disaster recovery strategies & plans	1
Sentral Software training	2
First Aid	1
Accounting Diploma	1
LGBTQ Online Seminar	5
Islamic Integration Workshop	36
AIS Master Class LNAP	1
Literacy and Numeracy	1
Action Plan Phase 2	1
Senior Leaders Workshop	1
Focus on Mathematics Extension 1 and Extension 2	1
Designing Alternate Assessment for Stage 6 Mathematics	1
Requirements for Teacher Accreditation Procedures in Schools	1
Preparing for a Random Inspection	1

WORKFORCE COMPOSITION

At Irfan College, the workforce composition in 2022 was as follows:

Position	Number of Teachers
Principal	1
Executives: Deputy Principal Business Manager Head of Policy and Compliance Primary Curriculum Coordinator Secondary Curriculum Coordinator	5
Primary Class Teachers	8 full time
Secondary KLA Teachers	14 full time and 6 part time
School Counsellor	2 part time
Lab Assistant	1 part time
Learning and Support Teachers	1 part time Learning and Support Teacher and 1 full time Teacher Aide
Specialist Teachers (Qur'an, Islamic Studies, Turkish and Arabic)	1 full time and 5 part time
School Administration and Support Staff	5 full time

There is nil Indigenous staff at this College.

STUDENT ATTENDANCE

Attendance at school is compulsory five days a week. Apart from the legal requirements for attendance, it is important that students display consistency to gain optimum benefit from their education. Regular attendance at school is essential if students are to maximise their potential. Irfan College, in partnership with parents, are responsible for promoting the regular attendance of students. While parents are legally responsible for the regular attendance of their children, school staff, as a part of their duty of care, monitors part or whole day absences. The teachers ensure that lateness and absence are both being recorded and communicated to parents to improve the education of all students.

Below is a list of student attendance rates for each year level and the whole school in 2022:

Kindergarten	90%
Year 1	91%
Year 2	90%
Year 3	92%
Year 4	93%
Year 5	92%
Year 6	91%
Year 7	90%
Year 8	85%
Year 9	88%
Year 10	90%
Year 11	93%
Overall	90%

It is possible that due to an unsatisfactory record of attendance or frequent lateness, the student will not meet the course outcomes. This could affect a student's eligibility to complete the year successfully and be promoted to the following year level. It is, therefore, important that students cultivate habits of good attendance from the start of the year.

The school recognizes, however, that for a variety of sound reasons – such as illness, dental appointments, family emergencies etc – that students may be late or not attend school every day. In such cases, the student must bring a letter to excuse their lateness or the next day explaining the absence. The letter must be from the student's parent/guardian and signed. All lateness and absences are recorded in the school rolls and are documented in student reports.

Early intervention for students at risk of developing irregular patterns of attendance is crucial for these patterns to be reversed.

Indicators of students at risk of developing these patterns include the following:

- Frequent lateness
- Leaving school early
- Missing lessons
- Being the victim of bullying and harassment
- Learning difficulties/additional needs
- Many days absent, either through illness, unexplained reasons, or family commitments
- Unresolved issues with school personnel (staff or students)
- Social or emotional issues
- Difficulties at times of transition
- Health issues experienced by the student and/or family members

Resolution of attendance difficulties may require a range of additional school-based strategies including:

- Student and parent interviews
- Reviewing the appropriateness of the student's educational program
- Development of a school-based attendance improvement plan
- Referral to the school counsellor or outside agencies
- Support from school-based personnel.
- Documented plans are developed to address the needs of students whose attendance is identified as being of concern.

Attendance meetings with parents/guardians and students should be convened following initial contact with the parents/guardians when a student's attendance pattern is of concern to the school. The purpose of these meetings is to review strategies initiated to support the student's attendance. The meeting should establish a shared understanding of accountability and strategies for improving the attendance of the student. Ideally, the student should be involved in the process of problem identification and improvement goal setting.

For ongoing intensive support of students, a student support group should be convened by the Principal and attended by relevant teachers, parents/guardians, and the student. Professionals from other agencies may also attend as appropriate with the permission of the parents/guardians. The purposes of this meeting are to ensure that the parents/guardians are aware of the absences and fully

appreciate the educational implications for the student, identify the reasons for the student's absences and develop a Student Attendance Improvement Plan and/or an Individual Learning Plan.

When the College feels that they have exhausted all strategies for addressing a student's unsatisfactory attendance, the regional office should be contacted to provide additional advice and support. It is important to realise that parents/guardians may be prosecuted if children have recurring unjustified absences from school.

The following guidelines must be met when students are applying to Irfan College:

1. Applications for enrolment may be made at any time by the parent/carer(s) of students.
2. Students enrolling at school for the first time will be *five years of age on or before 31 July*.
3. The College will base any decision about offering a place to a student on:

Family relationship with the school:

- sibling of a current or ex-student.
- either of the parents attended the school
- they hold attitudes, values and priorities that are compatible with the School's ethos

The student:

- the contribution that the student may make to the school, including the co-curricular activities
- The student's reports from previous schools or prior to school service e.g., the NSW Department of Education's Transition to School Statement

The College:

- ability to meet the special needs or abilities of the student

Other considerations

- Order of receipt- when the application to enrol is received by the school

4. The College may meet with the parent/carer(s) of the student before offering a place.
5. The School has absolute discretion in determining the weight of each of the factors it considers in determining whether to offer a place for the student.
6. Continued enrolment at the School is dependent upon the student making satisfactory academic progress, attending consistently, and the student and the parent/carer(s) observing all behavioural codes of conduct and other requirements of the School which are applicable from time to time.

Irfan College completed the academic year of 2022 with 296 students, 154 of these students are male and 142 are female. Students at Irfan College are predominantly born in Australia. Irfan College houses a diverse cultural population with students hailing from Turkish, Lebanese, Syrian, Afghan, Palestinian, Iraqi, Fujian, Bosnian, Uyghur, Egyptian, Pakistani, and Somalian backgrounds. Approximately, a quarter of our students commute to school using the bus service. Irfan College also accommodates students with learning disabilities and additional needs.

Irfan College aims to educate, build community, and serve, and thus promote positive leadership among the senior students. This in turn allows the senior students to lead by example and thus have a positive influence upon the younger students. Irfan College strives to offer not only quality academic programs but also formation and instruction in leadership, hence better preparing students for life in today's society.

Our school is a partnership between teachers, students, parents, and the community. Student input into formal decision making is integral to our mutual success. A formal and structured Student Representative Council will provide a forum for students to express their views, and to have them heard.

The following guidelines are for the implementation of the Student Representative Council (SRC):

- Each year, the school will conduct student only elections for a Student Representative Council
- Membership of the SRC must be proportionally representative, providing a balance of girls/boys and equal number of members representing each year level of students
- Students may not be excluded from the SRC due to any reason such as, race, religion, or non-payment of voluntary contributions.
- Elected members will receive badges, will be recognized in the newsletter, and will receive directions as their role and basic meeting procedures and protocols
- The elected school captains will chair all SRC meetings
- The SRC will meet monthly or more frequently as required
- The opinions expressed by the SRC will be carefully considered by the Principal, and students will receive appropriate feedback.
- The day-to-day coordination of SRC will be managed by the School Captains in partnership with an assigned teacher

Irfan College aims to implement fairness across the community which is built on; an ethos of respect, inclusion, accountability, taking responsibility, commitment to relationships and the development of social and emotional competencies. Students develop personal awareness and responsibility while learning to use lifelong skills of active listening, expressing emotions and problem solving.

We value the integrity and well-being of each member of the College. We strive to cultivate genuine relationships. The College also aims to promote good order and harmony within the school community. Irfan College's Well-being policy is implemented through various programs and procedures. These include the following:

- Interactive management process (IMP) teacher guidelines set a clear guideline about the process of dealing with various student behavioural issues through positive reinforcement.
- Counselling sessions
- Personal Development Sessions with Well-being Coordinator, Learning and Support coordinator and school counsellor. Students are given the opportunity to reflect and rectify their misbehaviour through the chance to change sessions. Students are required to stay back during lunch and have a guided mentoring session with the coordinator and counsellor.
- Motivational speakers are invited to the College to address our students with the aim of instilling student resilience, team building, youth empowerment, careers advising, drug and alcohol awareness, cyber-bullying, and domestic violence and crime. Speakers include members from the community such as credible imams, police officers, state and federal MP's, successful entrepreneurs, businessmen, and academics.

Irfan College's Well-being Model

ANTI-BULLYING POLICY

Irfan College offers all students a safe, secure, caring environment that promotes learning, personal growth, and confidence. Any form of harassment will not be tolerated within the school and will be dealt with effectively. Harassment or bullying is subjecting someone to any form of behaviour, which is hurtful, threatening, frightening or makes them feel uncomfortable. These behaviours can be repeated over a period or can be a single incident however neither will be acceptable at the school. All forms of harassment including physical, visual, verbal, and intellectual will be dealt with appropriately and no student will be victimised.

DISCIPLINE POLICY - BEHAVIOUR MANAGEMENT GUIDE

Irfan College takes a restorative approach in Behaviour Management; the College philosophy reflects the love, respect, and forgiveness our religion teaches. Students are encouraged to attain high standards of behaviour and achievement and action is taken if standards are not kept. Parents will be kept informed at appropriate points throughout the discipline process. The College's aim is for the students to become self-disciplined. **Corporal punishment is not permitted under any circumstances.**

The Behaviour Management Guide and Interactive Management Process (IMP) in the Well-being and Behaviour Management Policy sets a clear guideline about the process of dealing with various student behavioural issues through positive reinforcement. Teachers are expected to exert a great effort in correcting a student's behaviour through the advice given in this well-being & discipline. Teachers are required to maintain thorough records of their interactions with students and their parents, as this information will constitute the evidence required to pursue any student management issues successfully.

The discipline issues have been categorized into three levels depending on the discipline matters and the repetitiveness of the incident. The Discipline Action Table serves as a guide to categorise misbehaviour according to the three levels and the applicable consequences. The three different levels consist of the following:

- Level One contains issues that the classroom teachers may face during their day-to-day interaction with students whether it is within or outside the classrooms. These issues are dealt with by the classroom and specialist teachers.
- Level two: The Coordinator, in conjunction with the classroom teacher, deals with level two student management issues. Once the classroom teacher has exhausted all he/she can, the matter is referred to the Coordinator. The Coordinator and the classroom teacher action certain student management measures and involve the parents. Students may be fast tracked into Level Two if they engage themselves in more serious discipline issues.
- Level Three: This level deals with students that have not responded to the student's management plan in Level Two and/or have committed more serious offences that warrant the involvement of the Principal. Student at this level faces extended suspension if not expulsion.

COMPLAINTS AND GRIEVANCES POLICY

As a college with an Islamic ethos, committed to the values of the Australian education system, Irfan College has both a desire and a responsibility to ensure that our college environment is a happy, welcoming, and inclusive one where everyone can feel accepted and valued. However, in any normal community, there are times when people raise problems or complaints. Frequently such problems are minor and are resolved informally but sometimes there are occasions when a person wishes to make a formal grievance. This policy sets out the ways in which we as a College community will respond and resolve complaints.

The Irfan College Grievances and Complaints Management Policy values:

- procedural fairness and natural justice.
- the right to be heard fairly.
- the right to an unbiased decision made by an objective decision maker.
- the right to have the decision based on relevant evidence.
- a code of ethics and conduct.
- a service culture free from discrimination and harassment.
- transparent policies and procedures; and
- avenues for recourse and further investigation.

The Complaints and Grievances Management Policy ensures that all persons are presented with procedures that:

- value the opportunity to be heard.
- promote conflict resolution.
- encourage the development of harmonious partnerships.
- ensure that conflicts and grievances are mediated fairly; and
- are transparent and equitable.

Irfan College has a duty of care to ensure that all persons are provided with a high level of equity and fairness in relation to grievances and complaints management and procedures. In meeting the service's duty of care, management and educators agree to implement and endorse the service's Complaints and Grievances Policy. The Occupational Health and Safety Act states that employers have a duty of care to their employees to ensure that the working environment supports emotional and mental wellbeing.

The Irfan College Code of Conduct guides the Parent/Student/Staff Complaint and Grievance Procedures Policy.

School Policy updates

Below is a list of the changes made to the above-mentioned policies during the reporting year and how these policies are disclosed publicly:

Policy	Changes in 2022	Access to full text

This section of the annual report outlines the progress of the school measured against improvement targets documented in the school's annual plan. The school identified three main priority areas to target in 2020 and during the year, the Executive Team led by the Principal reflected on the progress being made in meeting improvement measures.

Time was also dedicated during executive meetings and whole school staff meetings each term to undertake thorough evaluations of processes, programs, and resources. The annual school plan was also reviewed consistently to ensure alignment of progress measurements against identified priority areas. The results of these reflective processes provided guidance to ensure that our improvement efforts align with these high levels of expectations.

Key Improvements Achieved in 2022

Following is a list of key Improvements made in 2022 following the review of the annual school plan.

Teaching and Learning:

- Both Primary and Secondary departments were able to maintain academic standards throughout 2022.
- Our College congratulated our second graduating cohort which was a significant milestone in the history of the College. The College was able to offer a considerable number of electives for Stage 6 considering our limited resources.

Islamic Integration and Pedagogy

- Islamic Pedagogy is an integral part of our College's vision and mission, and as part of this investment, Irfan College is proud to announce that it has received scholarships from the Centre of Islamic Thought and Education (CITE) at the University of South Australia. This scholarship will go towards funding a portion of the Graduate Certificate of Islamic Education program fees facilitated by CITE. Alhamdulillah, three of our teaching staff have commenced the program in 2021 and are continuing their postgraduate studies as a result of this scholarship. We ask Allah (swt) to accept and bless this effort and make it of benefit to our community.
- Our College developed its Philosophy of Education document that outlines Irfan's conception of Islamic Education. The document breaks down key terms within the Islamic tradition that is associated with tarbiyah (education) and aims to serve as a guiding document for staff professional learning and the features that render Irfan College distinct from other faith-based schools.

Irfan College wants all students to recognise that they are valued and an integral part of the school community, with parents and staff providing the care and support that engender self-esteem, mutual respect, and responsibility. The College ensures that at every available formal and informal opportunity the values of respect and responsibility are promoted. We want every student to understand and appreciate that they are part of both the College and the local community. Students learn about the importance of unity, respect, diversity and valuing justice and equity for all Australians. The sense of being a harmonious community, where personal relationships with others matter, is an important factor at Irfan College.

Islam enjoins that it is the responsibility of each individual to treat all of creation with respect, honour and dignity. The most deserving of respect is the Creator Himself. Respect begins with loving and obeying the commandments of God and from this respect flow all the manners and high standards of morality that are inherent in Islam. The school organises well-being programs and school camps where the students are given opportunities to develop personal awareness and respect for individual differences through various indoor and outdoor activities.

Since inception, the College has maintained an ethos of helping others. We fundraise for the benefit of others to increase social awareness in our students. Students participate voluntarily in Ramadan and Qurban campaigns and work very hard in order to send food package donations to people around the world facing starvation.

Irfan College promotes respect and responsibility by taking part in the following initiatives:

- Facilitating co-curricular activities through ICMG Youth to foster civic responsibility and leadership
- Collaborating with HASENE Australia with initiatives such as the 'Sponsor an Orphan' program where each class takes responsibility for sponsoring one orphan per annum
- School Permaculture Project
- Students and families raised funds for the Hasene Ramadan Food Campaign which involves collecting funds to purchase food items in second and third world countries.
- Parent information sessions

Parent Satisfaction

One of the most important priorities of Irfan College is fostering reciprocal relationships with all of our parents as we believe that a solid home-school relationship will benefit our students socially and academically. By establishing a strong relationship, parents receive ongoing information and feedback about all aspects of their child's education. At Irfan College, parents are welcome to discuss their ideas, opinions, or concerns with the relevant staff members.

In order to maintain a strong relationship with our parents, we facilitate many activities and events throughout the year. Some of the measures we have taken to ensure parent satisfaction are:

- Continuation of the Young Scholars Program
- Regular feedback through Parent-Teacher interviews
- Continuous feedback through communication via Parent Portal and email
- Ongoing support and using the Google suite
- School Readiness Program for Kindergarten students and Year 7 Orientation programs
- Continuation of resource procurement to improve the quality of teaching standards
- Service of our second Year 12 cohort
- Change of Stage 5 elective subjects based on student survey results and parent requests
- Opportunities for parents to be involved in school activities such as cake stalls, decorating the school for various events and helping in the canteen
- The continuation of the Islamic Integration Project to ensure our students receive a holistic education
- The continuation of the School Permaculture Project in conjunction with our School Recycling Program
- Extra-curricular activities
- Debating competition
- Continuation of health services
- Active involvement of the Parents and Citizens Committee in school decision making and support in running activities and events
- Eid breaks

Overall, we have seen a positive trend in expression of interest and increased enrolment applications for the upcoming year which is reflective of our commitment to ensure parent satisfaction.

Student Satisfaction

At Irfan College, we value all our students, and their overall satisfaction is important to us. We aim to maintain high student attendance and retention rates as these are indicators that students enjoy their learning environment and parents are satisfied with the educational offerings at the school. Some of the activities that took place in 2022 to promote student satisfaction are as follows:

- Inter-school debating
- Supporting and donating to humanitarian aid groups
- Year 6 Farewell lunch with teachers and the Principal at a restaurant
- Weekly merit awards
- Principal's morning tea with the SRC members
- Inter-school sporting competitions
- Mufti days
- Eid breaks
- Incursions
- Excursions

Teacher Satisfaction

The staff at Irfan College are extremely dedicated and they take every opportunity to give the best education possible to their students by using a variety of teaching strategies and learning activities to help students learn. The dedication, collegiality and teamwork amongst the staff are a testament to their professional capacity and it clearly demonstrates a high level of satisfaction in all areas of their work.

The school takes every opportunity to maintain teacher satisfaction at Irfan College. Some of the activities that took place in 2022 to promote teacher satisfaction are as follows:

- Teachers continue to be assisted with their accreditation to optimise the development and compilation of a successful submission
- Teacher's Teacher Award presented at the end of the year
- School holidays during Eid breaks: Including Eid breakfast
- Wider opportunities for PDs
- Staff breakfast and morning teas
- Social gatherings outside of school hours

Teachers at our school are encouraged to voice their opinion on both formal and informal platforms. The College Executive has an 'open door' policy where all staff are welcome to discuss their opinions and concerns freely.
