## Fee Management:

We understand that a commitment to an Irfan College education requires a long-term financial investment. As such, we are pleased to offer families, by request, options for fee management such as pre-payment plans. We can also provide families with information regarding forward planning for school fees. Please contact the Account Department for further details.

## Billing:

The 4 termly invoices for full year's school fees are issued in the first 2 weeks of Term 1. Full year payments are due and payable invoice due date. If full year payments are made before the end of Term 1, net school fees will attract a 10% discount. Payments via instalment and deferred payment arrangements must be made within the first 4 weeks of Term 1. A 5% discount will be applied on net school fee amounts if an approved direct debit option is signed by the parent within the first 6 weeks of term 1.

Fee Statements are issued yearly to reflect the balance of fees outstanding for the duration of that year.

*\*Please note: the above school levy fees are compulsory (per student, per year) and are in addition to the school fees.  
Up-to-date school fees can be found on our website [www.irfancollege.nsw.edu.au](http://www.irfancollege.nsw.edu.au)*
